The 2.3 acre, 32 unit multi-family (townhome) dwelling units are being developed by Taylor Morrison of Tampa, Inc. This property is within the "Business" and Medium Density Multifamily Residential zoning designation. The Walk at Indian Rocks Beach is a rare and limited opportunity to own a 3-story townhome in such a desirable location, as Indian Rocks Beach. Featured in this planned community is a pool and butterfly garden, where residents can enjoy walkable access to Indian Rocks Beach, providing residents with convenient access to pristine white sand beaches and the Gulf of Mexico.
