Part 2: Open Space Specific Characteristics:**Wildlife and Plant Inventory Documentation**

- [Esplanade-on-PR-ERP-narrative.pdf](#)

Please describe any notable parcels of open space or features of your open space - i.e. - a wash or river running through the property or a wetland / birding area.

This South River runs through this open space.

What wildlife and native plants do you most frequently find in your community now? (NOTE - this is anecdotal, does not have to be a scientific study or exhaustive list)

Birds, other wildlife.

Are any herbicides, pesticides or chemicals of any kind used in your open space parcels?

No

Does your community currently have a management plan for the open space in the community

No

Does your community currently have a process in place to ensure that the open space will continue to be managed as open space once Taylor Morrison turns ownership over to an HOA?

No
