NPS Budget

40-50,000

Cover Image**Description**

Brighton Ridge Nature Play Space™ is nestled against a hill with a sprawling walking trail and open space. Children can run up the trails and slide down into a play area on a berm slide. Recycled concrete pipes are used for tunnels, and a gravel digging area offers a unique play area for kids of all ages to dig, build and let their imaginations flourish. A large nest swing across the path is a fun structure to let groups of kids swing and enjoy the breeze.
