Description

Allen Ranches Nature Play Space™ is a nature exploration space for all ages. Children can climb on nature inspired play equipment that suits all ages and abilities. Balance and coordination are enhanced on the Butterfly Crescent Climber, Log Balance Beam, and Log Steppers. Children and families are surrounded by adjacent amenities including shade structures, picnic tables, grills, horseshoe pits, bag toss, and basketball areas. Native plants are adjacent to all the amenities which provide a link to viewing wildlife and enhance our sense of understanding. A range of play and amenities make this a year-round gathering space for the community.
